hi there  
do you have photo or spec that you send  
thx Brice

Hey Gary. I've Fedexed an outdoor lantern that JE wants to use for the 2 columns in front of the gym and for the columns at the main house terrace area that are being built now. He wants me to order 10 of them, but before I do, can you just make sure they will work for that purpose. I don't see any reason they shouldn't, but I just want to be sure! Thank you!
