JE has chosen a white fabric to recover the cushions on the benches in rooms 2 and 3. He said we can cover the throw pillows in a colored fabric which are on the benches. I have a solid lavender for room 2 and a solid khaki color for room 3. I'd like to do white piping on the colored cushions, but JE wants all white for the main cushion. Could you let me know how many yards of the white I should order for the 2 large cushions, and how much colored fabric I will need for the small throws? thanks..
