Hi Karyna,

I see that you recently signed up to AptDeco - I wanted to reach out and introduce myself personally.

I'm Sateesh, Customer Experience Manager for AptDeco and I'm here to help you get started with our site.

At AptDeco, our goal is simple. We want to significantly upgrade and simplify the buying and selling of pre-owned furniture everywhere.

### **shop or post** Shop or post furniture

Post your item or browse listings of gently used furniture finds by category or brand. OR set an alert and get notified when something you want is listed.

### **purchase** Purchase items with more payment options

Reserve a product before someone else gets to it! Sellers have 24 hours to confirm item availability.

### **delivery** Have it delivered or pick up it

At AptDeco, we give you the option of utilizing our White Glove Delivery service for \$69.00 flat rate in selected areas. If you're a fan of manual labor, you can also select to pick it up yourself.

### **relax** Relax!

We verify items at pick up to ensure that they are as listed. Although it's rare, issues do come up. When they do, we're here to help.

# That's AptDeco!
