Good morning Karyna.

Thank you for your suggestions.

I'm not sure how the arrangements turned out this time . Arline called me at 9:35 am Friday (23rd)to let me know Mr. Epstein will be arriving before 12:00 pm that day. Out of her concern , she suggested that I ordered arrangements from the florists instead ! I agreed since I have an appointment that morning.

Karyna may I suggest for Arline to do the arrangements from now on. One time she showed me great pictures of her [REDACTED] arrangements .

Please advise.

Thanks always.

Let's try using one type of flower in an arrangement: for example only hydrangeas in one arrangements, or only tulips, etc. Simple, but nicely put together.
