Karyna Shuliak ,

Your sales order # **FS3146516-SO** is attached.

For this order, the shipping method would need to be UPS due to the costs. With large orders, we do recommend the order go via UPS so that if it were to become lost or damaged in transit, we would have the coverage to reship it out for you at no cost. Please give us a call at 1-800-975-0986 if you would like to update your order.

Sincerely,

Geneva
