Hi Arline!

I hope you had a restful weekend.

As you are the one, who takes great care in keeping out house clean and tidy, I thought this might be of interest for you. There is a link to a brief article and a video of the lady I was talking about the other day, Marie Kondo. She has some great advice on how to declutter and tidy spaces, and, essentially, our lifes. Please take a moment to look into it when you have some spare time. I have also ordered her 2 books for you and will hand them to you when I see you next time.

I hope you find this helpful.

Best regards.

Karyna
