Hi [REDACTED]!

I hope you had a restful weekend.

As you are the one, who takes great pride and care of Mr. Epstein's property, I thought this might be of interest for you. There is a link to a brief article and a video of the lady I was talking about the other day, Marie Kondo. She has some interesting advice on how to declutter and tidy spaces, and, essentially, our lives. I have also ordered her 2 books for you and will hand them to you when I see you next time. Something to look into if you ever have a spare moment:)

Best regards.

Karyna
