Rich, just looked at the photos, at first they didn't open on my phone. Are these recent? If so, I am not sure why Ana requested a new stove and microcars at all, because they look good to me, unless broken? If anything, based on the photos I would change the refrigerator.

Hi Rich,
Jeffrey preferred stainless steel instead, sorry for the confusion. We already got a Frigidaire microwave for STC in stainless steel (bought it in Palm Beach and JE took it to the island after), so I chose a matching stove.
Hope that helps.

Thank you!

all existing appliances are white (refrigerator, microwave, stove and dishwasher)
you had sourced replacing microwave and stove in stainless which will give us a mixed set of white and stainless appliances
STC prefers to stick with white appliances and has sourced the following for stove and microwave

<STC Appliance list.pdf>

please advise if ok with white or do you prefer stainless and if so will we replace everything or just as originally proposed
thank you
