Hi Rich,

It is for master bathroom only (including the Jeffrey's walk-in closet).

[REDACTED] gave me the info of the place that installed the carpet in the guest area over a year ago according to her. It matches the existing cream berber carpet very well and Jeffrey approved getting the same one for his bathroom. I called the company today, they are going to try to find the info. But in case you have it in your records, please send it to me.

Below are the pictures of the carpet we need and the business card of the place [REDACTED] gave me.

Thank you!

Hi Rich,

Jeffrey would like to replace the carpet in Palm Beach master bathroom. Do you have in your purchase history the source for the current carpet by any chance? Jeffrey would like to replace it with the same kind...

Thanks a lot!
