Hi [REDACTED]!

I hope you are well and enjoyed the time with your family!

As we spoke last time I saw you, Mr. Epstein would still like for you to come to New York on October 5th if possible please. Would that timing be ok for you?

The new couple, Carluz and Arlene, are arriving this Sunday and are going to start working. Mr. Epstein and I thought it would be very helpful for them to meet you and hear what you have to say about the house from your perspective as a manager. So this wouldn't be so much about helping reorganize the spaces, although we still have a lot to do on that part, but more with helping to set up the right work objectives and responsibilities for the new couple and for the rest of the team, at least as a start. Your advice would be very valuable for all of us!

Please let me know if this works for you.

Thank you very much!

Best regards,

Karyna
