Hi [REDACTED], Leo and Carluz,

FYI, Mr. Epstein is planning to go to the island Friday morning and be back to NY Friday night, so you have all the time till the end of Friday to get things done at 301. Please coordinate with Lesley the time when you are going into 10B, so that she can notify the guests.

Thank you,

Karyna

Attached below is the list of work for 301. Please complete the tasks highlighted in red by the end of the week. If you have time to complete more, please do.

Carluz, [REDACTED] and Leo saw it all when we had an apartments run, so they should be able to explain the details to you if needed.

Thank you!
