Hi Sandy,

I just returned from traveling and I have reviewed the samples you sent. Are they all the same type and weight of paper? All the samples seem the same except for one of the smaller samples which has a bit of a rougher texture to the paper. Regardless, I'd like to order some notepads from you in the 3 sizes below. Could you please send me basic pricing for these sizes? I'm working on the artwork for them now. Thanks for your help!

Hi [REDACTED]

Thanks for resending your email.

I will get your samples out tomorrow.

Once you receive the samples we can talk about quantities and pricing of the custom pads you are looking for.

Thank you

Hi Sandy,

I just spoke to you on the phone regarding custom size scratch pads. The ones I currently have which I wish to duplicate are the 3 following sizes:

4"x6"

5.5" x 8.5"

8" x10"

All of them bound on the top vertically

The printed image would be one or two colors only.

Could you please send a sample pad to me at:
