Hi Justine,

Thank you for asking, what kind of pant would you recommend for Sonam, that fits slightly lower, yet comfortable enough? I thought maybe elastic drape in poly blend?

Thank you very much,

Hi [REDACTED],

I just wanted to let you know that the drawstring pants fall at the waist. Will Sonam be ok with this? I know you said she likes to wear her pants low...

Please advise.

Otherwise, the estimate looks good and I think we are good to go!

Thank you
