Great, thanks Karen!  
I will order

Hi Karyna

We have heard they are very good. Mike & Kimberly would really find them helpful on the Island given the poor quality of the produce right from the start. If you would like to order some that would be great

Warmest regards

Karen

Hi Karen and Brice,

I recently saw these containers in a store and thought maybe you would like to try it for storing vegetables? It has some new system for keeping produce fresher. I can order if you like?
