Hi John,

Sorry I did not get a chance to say good buy in person, as we got busy at the house. I wanted to thank you for all the work, that you have done for the past week, we very much appreciate your help, and I hope, that by incoporating your ideas into our everyday live, the house will be run smoother and will make Mr. Epstein's life easier.

We enjoyed working with you and, hopefully, will get to learn from you more in the future.

Karyna
