Karyna,

Sorry for not responding but we actually just left the house now. His water heater broke again and I've been trying to fix it since this morning. As far as the house progress, we have accomplished a few things but not all of them yet. We are getting the house ready because as far as I know he is coming back on sunday.

Hi Merwin,

I am surprised that after 2 days I still haven't heard back from you.

Hello Merwin,

How is the progress with the house work going? What were you able to accomplish so far from the list of things we discussed?

Please send me photo updates.

Thank you very much.
