Date: Thu, 10 Nov 2016 13:29:53 +0000

Hello,

Please provide an update for my order #1036525F. According to the tracking information the order was out for delivery in New York on November 5th, the last update made on November 6th mentions delay with no further notice after that. It is now Thursday Nov 10th. Please advice ASAP!

Thank you.
