Greetings Karyna,

I will take the photo and samples to the framer this week to place the order. If he has any questions I will reach out to you.

Kind regards, Daphne

Hi Daphne,

I selected the frame from one of the samples you have me (picture below). Let's do it with the current photo you have. The overall width of the finished framed product should be 55", so the picture will have to be cropped accordingly. The mat should be the same width as the frame.

Please let me know if you have any questions.

Thanks a lot!

Karyna.
