Greetings Karyna,

I submitted the photo, frame samples, instructions and deposit to the framer today. He anticipates about 2-3 weeks to completion - he has a major project and an art show coming up this month, but is hoping to have your project done by the end of this month.

I will keep you posted.

Kind regards, Daphne

Hi Daphne,

I selected the frame from one of the samples you have me (picture below). Let's do it with the current photo you have. The overall width of the finished framed product should be 55", so the picture will have to be cropped accordingly. The mat should be the same width as the frame.

Please let me know if you have any questions.

Thanks a lot!

Karyna.
