Greetings Mr. Lory,

As per our discussion, this email is to confirm that our Principal has opted to not loan out the four pieces of outdoor furniture you requested for the Palm Beach outdoor furniture covers project.

Our Principal advised that the covers are to act for weather protection, and that a snug, custom fit for the pieces that have irregular shapes is not necessary or required.

He would like instead for you to schedule a site visit to obtain the measurements.

Please do not hesitate to email or contact myself or Janusz when you are available for the visit.

Thank you in advance for your understanding and we will wait to hear from you.

Kind regards, Daphne
