**Learn More About Canopy Tents & Pop-Up Canopies**

### Spend More Time Outdoors With Screen Canopies & Shelters

Discover a new picnic-perfect, portable canopy for your next get-together or tailgate.

From a beach shelter for the sand to a team shelter for the stands, select from a variety of structures, features and that matches your adventure. Closed-in screen rooms are great for entertaining at the campground. Instant canopy barbeque a breeze.

Before you make your purchase, think about how you'll be using your canopy or screen-in room:

1. **Pop-up or instant canopies** are constructed of lightweight materials for simple assembly. These mild-weather shelters can be set up in a matter of minutes. They usually come with ground stakes.
2. The sturdiness of your canopy depends in large part on the materials used. If you're just getting some shade for a picnic, a simple structure will do. Canopies used for longer events should be specially designed for extended use.
3. **Beach shelters** are designed for lounging ocean-side in the sand. For added utility, choose a shelter with storage pockets or a cooler. **Team shelters** can cool off on the benches beneath a team shelter, designed for use on the sidelines.

Shop trusted outdoor brands like [E-Z Up®](#), [Quest®](#) and [Coleman®](#). Browse all canopy tents and find top-rated products.
