Good Day Dr Shuliak,

Your application is complete. If you haven't done so already, I've attached the tax clearance forms as you will need a tax clearance letter. You should go ahead and submit in the meantime. Please let me know if you have any questions.

Best Regards,

Dear Ms. Richardson,

Thank you for taking the time to speak to me on the phone yesterday. I am looking forward to being approved for licensure at the next Board meeting. I am following up as you requested to verify that my application is complete. I have requested confirming emails and will call you again today to make certain that you have what is needed. My concern arises out of the fact that I have been told twice before that it is complete only to have another request a few weeks later. I would like to start practicing as soon as possible. I have set up an office, applied for malpractice insurance and a tax id as requested. Again thank you for your time and consideration.
