Hi Bernard,

Just wanted to check if we could still meet tomorrow so that you could see the space. I should be there by 4pm, so I could meet you anytime after that. Would that work for you?

I am also available on Saturday if that might be better for you?

Thanks,

Karyna.

Wow that's a really big space and you want ASAP. I'm thinking. Tomorrow I work 10:30-4:30. I don't work Friday, i'll likely be out painting landscapes. i could swing by then to view walls.

Hi Bernard,

The dimensions are going to be slightly different in each apartment, roughly 15-20 feet long by 8 feet high. There are 6 units, but some are being renovated, so we would probably have to just do one that is available first and see how it works. I think you would get a better idea once you see it, we would like to have it done ASAP, but this is something you would have to estimate realistically how much time it might take you to do it. We can meet tomorrow if that works, I will be available most of the day. Possibly Friday late afternoon as well. The location is [REDACTED] Street (between 1st and 2nd ave). Please let me know what time works for you..

Thank you!

Karyna.

good morning I'm back. I knock out last night. long day, was beat.

I can't imagine modern apartments in NYC looking plain, they must be nice!:) When does artwork need to be done? What size? How many? Yes seeing them would be nice. When's a good time? Location? Cheers, Bernard

That is great, I am glad you are enjoying what you do! And yes, I would love to see the sample please.

Regarding the apartments: they are modern residential apartments: 1 studio and a few 1 bedrooms. They look very plain right now. We would need to come up with some art ideas to paint on the walls to make it look more fun and add color.

If you are interested we can arrange a meeting and I can show you the space?

Hi, how are you? sounds like you had a busy summer, me too. I've been working on portrait of you from pictures we took. i'll have to email you a sample. I've been painting and working a lot. I also got a studio in Bushwick. it's been great. I've learned and grown so much with my art. Yes please tell me more of paintings for upper east side.

Cheers, Bernard

Hi Bernard,

Hope you are doing well and had a nice summer! Sorry I never got back to you regarding the portrait, just did not happen to have much time in NY..

But there is a different project that I would like to discuss with you.. We are looking for an artist who could create wall arts in a few apartments in a residential building on Upper East Side. Would you be interested/capable in doing that kind of art project? If not, may be you happen to know someone who would be interested, perhaps someone from school as well?

Please let me know..

Thank you so much,
Karyna.

Hi Karyna, this is Bernard from The New York Academy of Art. So sorry i haven't been in touch. My last semester at NYAA was a busy one. I Graduated in May! It's been nice not having school pressure on my back.

How have you been? Summer going well? Now would be a good time to work on a portrait of you. Could we meet again. I learned alot this last semester. I did a lot of portraits, and took a portrait class. When's a good time for you? I want to find a nice pose.

I hope you are well and having an excellent summer,

Bernard
