Hi [REDACTED] and Leo,

Thank you for your time at 301 today.  
Please see below the summary of work, that we discussed today.

Thank you.

**10B:**

- bedroom closets: install metal poles instead of the existing ones, put new light switch strings
- same color/warmth light bulbs in the hallway ceiling near the bathroom
- fix the dining table

**10N**

- shower door seal

**11P:**

- cover wires in the linen closet,

**8H:**

- put lights on dimmers where possible
- Bathroom: reseal the gap around the shower floor; shower door seal

**8A:**

- Entry light dimmer is not working

**7J:**

- fix bedroom art pictures, so that they lay flat against the wall without bending
- walk-in bedroom closet: fill the missing cedar panels, cover the phone cables
- remove rusted bar on the balcony window
- change lights in the fridge
- reattach a loose floor molding piece

**2G**

- put up the living room curtains after tailoring is done
- fix the dining table
- film for all the windows

- new ac covers for outside
- put a plate around the ac outlet in the living room
- hang mirrors above the bedroom nightstands (should be at the same level as in 10B bedroom)
- seal the gap around the bathtub
- shower fixture cover is dirty
- hook for the bathroom door
- missing light switches in some closets
- fix the door handle latch (coat closet)
- hide wires in the kitchen cabinets
- small fire extinguisher
