HI Ion,
I know that he wants to redo the walls in my office at 71st on the 5th floor. Perhaps you could come by tomorrow and start on some samples for the these walls and start on this project? I will find out from Gary as well when the new guest room will be ready for you.. will let you know. Does it work for you to come by 71st tomorrow?

hi [REDACTED]
..how are you? i hope everything is fine..
i was just wondering if jeffrey wants me to do something soon. i've e-mailed him a few days ago but he didnt answer back. i've called the other day rich at the house on 71st st and he told me jeffrey was super busy last week meeting lots of people.. so i was thinking if jeffrey is very busy for the moment or he is not in the mood to do or to think about finishes, maybe i can go back to romania and comeback a little later in two three weeks. i dont mind about doing this.
can you please ask jeffrey about this?
thank you
ion
