Thank you!

I have just ordered the following:

3 more of the large pivot robe hooks that JE has in master to be used in the flag pole cabana(not sure how many we want to mount, but doesn't hurt to have extra)

chrome toilet brush, plunger, waste basket for flag pole bathroom

carrera marble vanity set(soap dish, soap dispenser, tissue box holder, tray, tumbler and canisters) for flag pole bathroom

horn vanity set for my office bathroom; soap dish, soap dispenser, tumbler and canisters(thought it would be nice in horn to go with African motif and horn chars, etc) Restoration hardware has a fun set made of horn that I ordered

we should have a large white wicker hamper in the shape of a fish on island from Frontgate that can be used at one of the pools..

also, you mentioned we need a robe hook for the outdoor tub of master bath... do you think we could use the same robe hook as inside the master, outside? or do you think it would rust outside?
