Sarie I don't really, I am really swamped with her, had 3 hours sleep with cleaning up and moving trash( only moved the stinky ones) trying to move to 66, just waiting to hear from les, maybe don't mention to Je, he already told me to take her back if I am not coping. I am maybe going to look into wheaten puppy home placing organisations. Aaargh another class missed this morning!!!!

If you have any free time, we can go together in Grover as well. He needs to be driven, so I can drive you with the sweatshirts. lemme know

ok, they are only doing 1 pair for us to check so we have to take all the rest down. They are quite heavy, wish jojo was here to drive.

If you think it can wait until Wednesday I can go then, otherwise I will let you know when they call tomorrow if you want to get it done.
