correct, every property has kits including planes. I am waiting for Anna to respond before I place an order. Daphne will communicate with her as I can't reach her. She requested new medical kit. Not sure if they lost it or what is the problem.. Zorro is all good till June 2018. I will copy you on email when order is placed with AirCare.

Thank you,
Bella

Hi Bella,

Just checking if everyone has confirmed back to you regarding the medical kits restocking? The auto restock option sounds good.

I know we have one of these kits at 71st. Do I understand correctly that we have them at each other property and on the airplane?

Thank you,

Karyna

Anna/Merwin/Dave/Karen/Renato,

Attached please find list of expired or will expire soon items in the medical kits for all houses including the plain. Please confirm back to me if all items on the list need to be ordered and shipped to the property for replacement and I will place an order. In the past we would replace the entire kit, but now we are offered to replace expired medication only.

Thank you,
Bella

Subject: 6-Month Medical Kit Restock Notice - JEGE, LLC

Good Morning Larry,

Attached is the list of medical supplies that have been identified as expired or due to expire in your medical kits. Please send back a confirmation E-mail if you would like us to restock those items.

If you are interested, we can set you up with our 'Auto Restock' option, which would enable us to automatically restock your medical kits with any expiring items every 6 months.

Additionally, we would appreciate it if you could verify your shipping and contact information so we can update our files as necessary.

Please feel free to reach out to us if you have any questions. Thank you!
