Brice,  
As far as I know, it's doing what it suppose to do. I am not aware of any problems and I'm not sure why she is consulting when you're hundreds of miles away. I will speak with Karyna of any issues she have with the system.

Thanks

Karyna has asked me to review the operation of the Front Door at 71st Street  
From my understanding the latest fix is not solving all the issues  
Can you give me a brief outline explaining the interface and operation of the system.

thank you
