Hi Merwin

I have just spoken to Home Depot, they arrived to deliver the dishwasher Friday Oct 13th, kept ringing front door, waited the required 30 minutes then left. The delivery company where to send an E Mail to Home Depot, if unable to deliver, which they did, but Home Depot did not forward this info onto you (as I had you has the contact person) and also zorro gmail.

Redelivery will be Oct 31st, delivery company will forward a time closer to the date. Please unsure old dishwasher is empty, so they can take it away

Thanks
all the best
Karen
