Hello everyone,

On Tuesday September 12th we will be having a CPR & basic life support training at 9 East 71st street. The training will start at 9:15am sharp. You are all required to attend.

The instructor will be coming at 8:45am in order to set up. Merwin, could you please be there at that time to meet the instructor and show him the space.

Please everyone confirm the receipt of this message.

Thank you all and have a great weekend!

Karyna
