Hi Gustavo!

My best friend is in dire need of some carpentry help and you were the first person I thought of! I wanted to give you a heads up that you will be hearing from [REDACTED] to possibly do a few things in her apartment. She also works for a wealthy man that has a number of homes- I am sure if she likes your work it will lead to a lot more!! 😊 (so give her a good price, haha)

Best,  
Kathryn
