Hi Tsering,

I was able to have a brief talk with Mrs. Jennifer Gerut, and she spoke very positively about Sonam. I was not able to reach Mrs. Hersh yet. But assuming, that there would be no major surprises after I do get a chance to speak to her, we would like to give Sonam a try. Would it be possible for her to start on Monday?

Thank you very much!

Karyna

Hi Karyna,

Just following up with if you did chance to speak with Sonam's references?
I just got a copy of her background check and everything is good. Since, she got her social after 2011 her social cannot be validated but her trace shows that it is valid and it is her social.

Call me if you have any questions?

Best,
Tsering
