Hi Karyna,

I do not have the dimensions of the bases and their sculptures separately but I can tell you this-

Sculpture Couple 78" H x 34" x 19" Crate (These are attached to their pedestal and the sculpture and the work are crated as one) Subtract 8" from each dimension and you will be close to the size of the sculpture.

Man with Fruit 39" H x 27" x 23" Crate (Crate contains Bust on small base, they are attached per the image) Subtract 8" from each dimension of the crate

Pedestal for Man with Fruit 39" x 21" 12" Blanket Wrapped (Very close to actual dimensions of pedestal)

I hope this helps!

Hi Hillary,

Our decorator is asking to find out the dimensions of the sculptures separately and the bases separately if possible please.

I am not sure if the dimensions of the crates, that you have sent, include the stands?

Thank you very much,

Karyna

Hi Karyna,

I don't have the sculpture dimensions on hand but the packed dimensions are as follows:

Sculpture Couple 78" H x 34" x 19" Crate

Man with Fruit 39" H x 27" x 23" Crate

Pedestal for Man with Fruit 39" x 21" 12" Blanket Wrapped

We will plan to remove the crates after installation and will return them to storage.

Thank you,
Hillary

Good day, Hillary. I called you at your office to confirm delivery tomorrow of items 592352 and 592353 (and their bases) from David Mitchell's inventory to 9 East 71st Street, but only got your voice mail. David has advised me that it is scheduled for 10AM to 12PM. Please confirm this. I will have representatives waiting at the site to direct your movers. At the site will be our representative Karyna Shuliak. I would request that you call Richard Kahn tomorrow morning a half hour before the expected arrival at the premises, so that we ensure that the site representative is there to meet the movers. Richard Kahn's telephone number is [REDACTED]

Please call me back today at either [REDACTED] to confirm that you received this email and to confirm the time of expected arrival tomorrow. Thank you.

Hi Samantha & David,

Just following up, would you like us to proceed with the job Monday morning? If so, I need the below information by 4 p.m. in order to proceed.

1. Point of contact on site & the best number to reach them.
2. COI requirements
3. Does the building have an elevator?
4. What floor will these works be installed on?
5. Any stairs to negotiate at Service Entrance or access issues of note?
6. Timing restrictions

Thanks for your help,
Hillary

Hi Samantha,

We have availability to do this tomorrow. We believe the works require three handlers due to their size, weight, and fragility. Can you confirm that you would like the empty crates returned to storage once the works are installed on site? Also, if you would like to proceed with tomorrow, please confirm the following:

1. Point of contact on site & the best number to reach them.
2. COI requirements
3. Does the building have an elevator?
4. What floor will these works be installed on?
5. Any stairs to negotiate at Service Entrance or access issues of note?
6. Timing restrictions

Estimated cost:

\$65.00 Pull works form storage in Warehouse

\$525.00 Transport Base (3 Team deliver)

\$480.00 Time on Site: Unpack & Install (Estimated 2 hours time on site at \$80/handler/hour assumes elevator access is available)

\$150.00 HOP: Return crates to UOVO (assumes crate removal requested)

\$65.00 Return crates to storage in Warehouse

Estimated Total: \$1,285.00

*If crate removal is not necessary, remove HOP & return placement at warehouse.

Thank you,
Hillary
