Dear Jeffrey,

Thank you for your continued enthusiasm about Christopher Hyland Incorporated textiles.

Most importantly, thank you very much for your enormous display of generosity of spirit, financial largess and cultural patronage, civic support.

Your volunteering to donate \$50,000 to the Met Orchestra Musicians of which I am Chairman of the Advisory Board is very much appreciated, especially during a period when funding of the arts, both musical and visual, is experiencing difficulty.

Richard Kahn called just earlier confirming that your check will be messengered to 979 Third Avenue, Suite 1710 today.

Thank you very much for making your donation with the stipulation that the monies will be employed by MOM at my discretion .

Rest assured that your donation will contribute significantly to bringing the gift of classical music to diverse venues by way of free concerts.

MOM looks forward very much to having a small recital at the venue of your choice on Manhattan by way of unsolicited thank you.

Again, thank you very much

Christopher
