Greetings Abdullah,

Thank you, I am well and hope you are also. I am happy to see you were able to engage British Airways Air Cargo again for this shipment.

I am copying Chalmer on this email and all going forward as I will ask him to handle this shipment for us in Florida as he did with the tent and household goods.

Chalmer, we are now receiving a Kaaba from Saudi Arabia. It too is destined for LSJE, LLC on St. Thomas, just like the tent.

Please feel free to email us if you have any questions at this time. Abdullah will forward the invoice when it is available.

Abdullah was kind enough to share photos of the Kaaba previously, let me know if you need copies.

Kind regards,

Daphne

Greetings Abdullah,

I am well, thank you for asking. The only issue we encountered last time with US Customs is not having the Genus and species of the Date palms for the baskets and mats, which you provided after.

On the invoice, the more details you can provide, the better. Remember that the value of the goods must be in US dollars.

Kind regards, Daphne

As per instruction of Aziza. We will ship some pieces of the Kaaba for the Mosque. In the attached file, from Page 2 – 4 will be the actual pieces you will be receiving and explanation of each was added.

I would like to know before we ship it. is there any issues will be faced with the customs if we shipped to these stuff? Or shall we send with anyone who is going US? Please advise.

Please let me know if you need any further information.

Sincerely,

Abdullah
