Dear Daphne,

Thank you so much for updating me. This is very good news! I will inform Aziza. We can skype if you need any support in how to set the tent up we are ready.

Please let me know if Mr. Jeff require anything extra. we are ready at anytime.

On another note, as Aziza requested, I would like to request interior pictures of the Mosque. She wants to see it from inside as she will be preparing something inside the mosque.

Sincerely,  
Abdullah
