with what is called the skeleton crew. the island is peaceful. I want a plan that has no work done any longer when i am here. people can work the days i am not. unless specifically requested by ME. . I will be building on gsj later in the year. . so we might need a new a better barge. . . too many people causing too much noise breaking too many machines and requiring too many mechanics and a vicious circle of more people more mess . . maids . . landscapers . need overhaul . gsj has a lot to clean so no shortage of things to do when i am on LSJ. .
