Dear [REDACTED],

Thank you for your gift to Skin Cancer, Take a Hike!<sup>TM</sup> Your donation benefits the American Academy of Dermatology's SPOT Skin Cancer<sup>TM</sup> campaign.

Through SPOT, together we are educating the public about skin cancer and helping to save lives through targeted educational programs, advocacy efforts, supporting research, public awareness campaigns, and providing access to shade structures and skin cancer screenings.

One of the hallmark programs of the SPOT Skin Cancer<sup>TM</sup> campaign is the SPOTme<sup>®</sup> skin cancer screening program. Through this program, the Academy and its members provide free skin cancer screenings and educate the public about skin cancer risk and the importance of early detection.

*"[REDACTED] so glad you offered this service. I was clean, but my friend that did it with me was not. Had we not done this, who knows when she would have discovered it. PS she made an appointment with her dermatologist the next day." Gail, who attended a SPOTme<sup>®</sup> screening*

Potentially life-saving programs like SPOT Skin Cancer<sup>TM</sup> and SPOTme<sup>®</sup> are made possible by donors like you, and help people around the world have healthy skin and healthy lives. [Learn more here.](#)
