Hi [REDACTED],

Thank you! It was a pleasure meeting you.

I hope I was able to bring a few ideas to the household and that the staff will follow the direction in the future.

I told Rich Kahn today that I'm available for any other project JE might need help with.

Thanks again for all your help

Best

John

I wanted to thank you for all the work, that you have done for the past week, we very much appreciate your help, and I hope, that by incorporating your ideas into our everyday live, the house will be run smoother and will make Mr. Epstein's life easier.
