Yes, we took a bullet train from Tokyo to Kyoto, and then one day to Osaka. [REDACTED] was buying professional knives there:) The trains are super fast, took us 14min to get from Kyoto to Osaka!

We are having a lot of fun, interesting to be in such a different culture. Yesterday, for example, we bought a melon and were told to wait until September 27th to eat it!:)

So I went to the restaurant where that main chef worked. Was going to ask them to make the reservation.

But. I was told they are in a big fight - no communication at all.

Sorry I couldn't help

But when your back in nyc. I'll take you to the local one

Hope your having fun 😊😊
