Hi Karina,

My name is Aaron, and I am one of the owners of the Slimm Coffee Co. We noticed that your Slimm Premium Filter for AeroPress was recently delivered. I just wanted to reach out and make sure that everything went smooth, you are 100% happy and enjoying a delicious cup of coffee right now.

We are a rather small business. That is why we take coffee and the happiness of our customers very seriously. If you are happy with your filter and think we have done a good job, please be so kind as to leave us your feedback. Frankly, without your feedback and reviews we couldn't exist. You can follow the link below to give us honest feedback:

Oh, and if you are not 100% satisfied for any reason, have any problems or questions, before leaving feedback, please [contact us](#). Let us make it right, we will do whatever it takes to make you happy.

In closing, I want to personally THANK YOU for being one of our customers. Again, if there is anything we can do to help, or if you have any questions, just let us know.

ps.: A quick tip - be sure to check out the upside-down brewing method in the bonus book download! Makes controlling the flow through rate / brewing time very easy, great for making perfect espressos.

(pps.: if you have any problem with fitting the filter the first time, let us know, we'll email you a handy fitting guide)
