Thanks Daphne,

Here is the information from the invoice when this was ordered (the invoice is attached below, but there are many other items on that order).

ZEPP III BEDSIDE TABLE - SECTIONAL 01 - W/ 04 ASAP DRAWERS - ROBLE - 19 3/4 X 19 3/4 X 25 1/2 H  
Finish GRAY POLISHED

Unit price: \$2,465.96 (this is the price of one bedside table, we are shipping two)

Country of origin is not listed. The company name is "Artefacto". it is based in Brazil, the showroom location was in Florida, US. But I do believe they manufacture their furniture in Brazil.

Below is also the picture of the items as described on the website, as well as the invoice when this was ordered.

Thanks,  
Karyna.

I don't have an invoice for this. Daphne, can you create one? If so, information would you need?
