Brice said the rug is too large for my office. It doesn't fit. We will have to get it cut down in order to fit. I will ask him for the dimensions of the rug vs the room

I have not yet confirmed to Michael that all is accepted. I want to make sure someone looked at the rug. I saw the chairs and the desk and did not see any obvious issues. Do you know if they are acceptable. Can you find out if I may confirm this to Michael Berger. Thanks.

Darren-

Pursuant to paragraph 4 of the Modification, you had three business days after the shipment cleared customs, which clearance we understand occurred no later than Wednesday, October 12, 2011, to provide written notice of acceptance.

This will confirm that I spoke with you Friday on the telephone and you indicated your acceptance of the shipment. Such acceptance concludes the matter. Pursuant to paragraph 4 of the Modification, Molyneux shall not be responsible for any of the items, and neither party shall have any obligation with respect to the other with respect to any of the accepted items, regardless of when and where they were accepted.

Please advise me immediately if you disagree with any aspect of this email. My clients and I appreciated your professionalism and courtesy in this matter.
