Anthony says he would offer this apartment to Ehud's security pp for the same rate they are paying at the hotel they stay in...He thinks it might be easier for all involve as the security pp stand in the hall while Ehud is in residence. I would think they need minimal furniture, but obviously they would need a bed and a TV would be nice (which would also mean Time Warner?) kitchen table and chairs...before I even ask JE about this, I wanted to find out if there is even furniture that we could put in this apartment for them?...
