Great! Please note that the orders are slated now for an estimated ship of 11/6. I'm not sure if your client has an event date that they need these for or if that date will work for them?

Thanks!

Hi Kristin,
There is only one issue: the size of ZORRO letters is small, it should be the same as LSJ please.
Thank you.

Hi Kristin,
Almost there, the client just asked if it is possible to place JE logo on the side by the ankle instead of the front (but still on the bottom), please let me know. Thank you!

Hi Karyna,

No worries at all! I have the JE logo updated (attached) – waiting on the Zorro logo!

Hi Kristin,
I am sorry for all the misunderstandings, but the JE logo should be located on the bottom near the ankle.
For ZORRO logo: can you make the size of the letters the same as you did for LSJ please.
Thank you!
Karyna.

Hi Kristin,

Thank you! There are a few more corrections, that the client would like to make:

1) for JE logo in red: location horizontally on the bottom just like you sent, but make the logo smaller: one third of the size you've sent

2) for LSJ and ZORRO logos: the colors are good, but please place them on the side of the leg, not the bottom and also make the logos smaller: half a size you've sent.

Thank you!

Great, thank you Kristin!

Here are the new design instructions:

1. 48 pants in Fall Heather with black LSJ logo on the bottom near the ankle
2. 48 pants in Varsity Slate with white ZORRO logo on the bottom near the ankle
3. 48 pants in Liberty Navy with red JE logo on the bottom near the ankle.

Thank you!
Please confirm.

Karyna.

Kristin,

Also I was told that you currently only have these sweatpants in Fall Heather, is that still the case or do you now have other color options?

Thanks,
Karyna.

Good morning Karyna,

Please note that R11-45211's ink was adjusted to black as we do not print white ink on Fall Heather garments. Thanks!
