Hi Karyna,

is nice to hear from you, thanks for your approach for this project, this coming Friday is open in our calendar, so it would be possible for us to do it no problem it would be our pleasure to

help with your floral needs.

Can you please send me more information about it?, like address, and what's the reason for it, is it for a party?, or just for home decor?

Any idea of what's the budget for the job?

Also it would be best for me to see the space before...

Please let me know

Thanks

Oscar.

PS: I copied here also my office coordinator Leda for further communications.

this Friday or Saturday, I should know exactly later today.
