Dear Bella,

I left you a voicemail around 5:30 pm because we have not yet received the funds. The corporate office is closed until Monday morning but our contact states that the wire transfer funds should be available and ready on Monday.

Dear Bella,

Thank you for the reference number. I have forwarded this information to our corporate contact who deals with wire transfers. We are waiting on a response from him to let us know when the funds are received.

I've made it clear to him that this is very urgent, time-sensitive. I will keep you updated as soon as I find out any new status.

[REDACTED]

Please let me know when you have completed the transfer. Typically, this takes a few days (3-5 business days) for us to receive. I will send you a copy of the invoice once we receive the funds in our account.

Please let us know if we should return the check to you or just discard of it accordingly.
