Hello Karyna;

I spoke to you this morning regarding a **Miami big chest w/4 drawers**.
After I hung up with I told my manager about it, and he mention to me that he was holding one (**from our floor sale sample**) the same size **63 ¼" x 19 ¾" x 37 ½"H** for a project and he didn't need it any more, meaning that we have one left until September 30th.
So if you send me your full address I can get you an estimate of how much will be the full price including delivery.

P.S. also include full name and phone number. I'm also attaching pics of our floor sample.

Thank you very much.
