July just got super long... ;)
Jk sounds awesome Kruti wish I could go

Hey guys,

This is random and last minute but I am doing an outreach to Jamaica (jamaicaoutreach.org) It is a long story but they are looking for one more advanced dental student. So if you are interested, shoot me an email. The trip is fully covering the stay and food and you will get reimbursed \$350 for airfare. This is not through our dental school - it a combined dental and optometry mission. Unfortunately there is only room for one more person- the dates are July 23-37th. If you want to come, shoot me a text by tomorrow and we can figure something out.

Best,

Kruti
